STATEMENT UNDER 37 C.F.R. § 1.133(b)

Sir:

In response to the telephonic interview conducted on November 12, 2009 and the Interview Summary dated December 1, 2009, the following remarks are respectfully submitted in connection with the above-identified application.

Interview Summary

During the interview, Applicants' representative authorized an Examiner's Amendment to claim 16 to place the application in condition for allowance. Specifically, it was agreed that amending claim 16 to include the feature of "a second set of four latches arranged to received outputs of the first set of latches, respectively, and controllable to latch

data at different times according to the quadrature clock signals, respectively, so as to form a second set of latched signals” would place the application in condition for allowance.

CONCLUSION

Should there be any outstanding matters that need to be resolved in the present application; the Examiner is respectfully requested to contact the undersigned at the telephone number of the undersigned below.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 08-0750 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,

HARNES, DICKEY, & PIERCE, P.L.C.
